December 9, 2011

Eight swimmers from Saskatchewan are competing at the Paul Bergen Junior International Short Course Championships this weekend in Portland Oregon as Team Sask. It is a competition for swimmers aged 18 and under only. This is one of the High Performance events that Swim Sask offers each year.

The swimmers are:

| Female Swimmers | Male Swimmers |
|----------------------------|----------------------|
| Mikayla Amundsen – ROD | Cole Benkic – GOLD |
| Cassie Brassard – ROD | Quinn Moore – ROD |
| Monica Mastromatteo – GOLD | Jereme Wilde – RYMM |
| Nicole Robinson – ROD | Joseph Wright - ROD |

The Paul Bergen meet has been on the High Performance calendar since 2004. Swimmers have the opportunity to race other Canadian provincial and club teams, as well as teams from Germany and France. The Paul Bergen Junior International Short Course Championships is a unique meet to be held in the USA as not many clubs swim short course meters; they swim yards. Saskatchewan swimmers usually have great results from this meet, as they have to race hard in the morning to advance to the final. In past some Saskatchewan swimmers have achieved their first senior national qualifying time at this meet.

In 2011 half of Teams Sask has competed at this meet in the past, while it is the first time for Mikayla, Monica Nicole, Jereme and Joseph.

Swim Saskatchewan wishes all of the swimmers good luck.

Real time results can be found at:
