Athletes named to the Swim Sask Provincial ID team, identifies athletes with potential success and advancement to the National/International level.

Swimmers are identified by having a Swimming Canada “On-Track 3” performance score of at least 800 pts in one of the On-Track 3 age categories or if older than the On-Track ages, are within 7% of the Olympic Qualifying “A” Time or have a score of at least 650 points on the Para Points calculator.

The main drive of this program is talent identification, recognition, reward and to motivate future improvement. Being named to an ID Team does not automatically qualify/select you to provincial team initiatives or Athlete Financial Assistance. Rather, it is an acknowledgement of successes and commitment as a Saskatchewan swimmer, with the hope of continued Improvement.
