

# Warm-up Procedures 2005

During the designated warm-up period, the meet management committee shall be responsible for ensuring that all Risk Management/Warm-up procedures are followed. It is incumbent on all participants, i.e. meet management, coaches, swimmers, and officials to comply with these procedures. Non-compliance with these procedures will result in a warning or removal of the swimmer from the warm-up pool, and possible further reporting to meet management and the Referee for action under rule SW 2.1.1.

Meet management shall designate Safety Marshals to actively monitor the warm-up period in the competition pool and ensure compliance with these procedures. Safety Marshals should be notified of any disabled swimmers who are participating in warm-ups. Additional "practice" pools, if any, are to be supervised by lifeguards and coaches.

"Safety Marshals shall be responsible to the Referee for all aspects of safety related to conduct during the warm-up period ..... and shall ensure that all appropriate warm-up procedures are followed." (CSW 2.13.1.5)
