Name of club

I/We have reviewed the safety standards as outlined in the Swimming/Natation Canada Rule Book specifically Appendix B Rules FR 2.3 **and** CFR 2.3.1 as well as Rule FR 2.7 which all speak specifically to legal depth of water at starting end of pool and the legal size and height of the starting blocks.

FR 2.7 The height of the starting platform above the water surface shall be from 0.5 metre to 0.75 metre. The platform surface shall be at least 0.5 metre x 0.5 metre.

.. This facility meets the required standards outlined in Rule FR 2.7.

Please check ONLY 1 of the following, whichever applies to your pool

FR 2.3 "The water depth for a distance of 1.0 metre to 6.0 metres from the end wall must be at least 1.35 metres where starting platforms are installed.

.. This facility meets the required standards outlined in Rule FR 2.3

CFR 2.3.1 "The water depth for a distance of 1.0 metre to 5.0 metres from the end wall must be at least 1.2 metres where starting platforms are installed."

.. This facility meets the required standards outlined in Rule CFR 2.3.1
