## CODE OF ETHICS

**All persons participating or competing in the Swim Saskatchewan Summer Swimming program are asked to comply at all times with the spirit and intent of these rules. Thus, through their individual and collective demonstration of sportsmanship and fair play in action, the achievements of Summer Swimming purposes may be enhanced.**

1. Each pool has a dedicated group of parents who work hard to make the meets run smoothly. Because all Clubs involved in the Summer Swimming Program have pools built primarily for recreation, none are ideal for competitive swim meets. Also, most pools have rules set by others than just swim club parents. If you are a visitor, be tolerant of problems and difficulties of the home team. They have to live with their pool and its problems more often than you do. If you have a suggestion for a solution to a problem, offer it tactfully. Gripping about things that can't be changed, accomplishes nothing.
2. Remember, all officials are **volunteers**. Assume that each official is doing his/her best to be accurate. Nothing is gained by challenging a judgment different from the one you think you would have made.  
  
If you are not a team representative and you think that there is an impropriety, a mistake or an unfair decision, take it up with the right person - usually your team coach or Club President. These are the people you have chosen to represent your team. They may be able to explain a puzzling action or decision and if a protest needs to be made, they are the ones authorized to take such action.
3. Remember that rules are made to provide a basis for fair competition and to help meets run smoothly. Use of rules to prove superior knowledge, harass the other team or to move the competition from the swimmers in the pool to the officials on the deck, frustrates the reason for rules.
4. Don't jump to conclusions. If the actions of a spectator, swimmer, coach or official seems strange to you, find out what the person is doing and why before assuming wrongdoing on his/her part.
5. Anyone can make a mistake - even you! If the error is made by another, correct it courteously through proper channels.
6. Officials and swimmers work close together. Even mumbled words may reach many ears. Watch your language!
7. It is strongly recommended that visiting teams observe and heed the host pool's rules and regulations pertaining to the safety and the conduct of its members, before, during and after all Summer Swimming meets.

---

**Reference:** SSI Bylaws Art. 5, Sect. 3

The behavior of all competitors, coaches, volunteers, officials and spectators at Swim Saskatchewan Inc. events will conform to the following Code of Conduct. Breaches in this Code will result in the penalties expressed in this policy.

The Rulebook of Swimming/Natation Canada will govern the conduct of all swim competitions sanctioned by SSI. For Masters competitions, the Masters Swimming Canada Rules, Procedures and Guidelines will supervene where applicable.

1. SSI will not tolerate the use of violence, abusive or profane language or behaviour at any time. In particular, during swim competitions SNC Rule CSW 2.1.6.5 and 2.1.6.6 will be enforced.
2. SSI expressly forbids the use by athletes of performance enhancing drugs, as defined by the Canadian Centre for Ethics in Sports. Performance enhancing drugs include all anabolic steroids, and may include erythropoietin and any sympathomimetic or stimulant medications (including bronchodilators and decongestants), except where medically required for the treatment of illness.
3. SSI expressly forbids the consumption of alcohol by participating swimmers, coaches, volunteers, officials or staff during the hours of competition at any swim meet. SSI expressly forbids the consumption of alcohol by persons under the legal drinking age at any time during any SSI sponsored event.
4. SSI expressly forbids the use of any illicit substances, including any hallucinogenic substances or any drugs used for purposes other than their normal therapeutic effects, at any swim competition or SSI sponsored events.
5. SSI expressly forbids the willful damage, defacement or destruction by any person of personal property or of any facility or property.

SSI expressly authorizes the High Performance Program Committee to impose any additional conditions of personal or professional conduct as may be appropriate for the athletes, coaches and support staff of the High Performance Teams. The High Performance Committee has the authority to discipline members for serious infractions of its rules of conduct, including the authority to withhold financial support or to revoke travel, selection and other privileges.

Policy M-3 continued.....

# WEYBURN SILVER SEALS INVITATIONAL SWIM MEET

[Board Policy M-3 Page 2]

SSI expressly authorizes the Winter or Summer Program Committees to impose any additional conditions of conduct as may be appropriate for their members.

SSI encourages all member clubs to adopt internal policies governing the conduct of their members, including adoption of the Code of Conduct of SSI.

SSI may assist clubs to investigate or adjudicate breaches of their internal Codes of Conduct, upon the request of the clubs, where clubs lack sufficient expertise or resources to conduct a fair and impartial investigation and adjudication.

SSI will promote a safe environment for training and competition for all swimmers. Through its Master and Senior Officials Committee, SSI will ensure that all clubs are aware of the minimum facilities requirements as outlined in Appendix B of the Rulebook of Swimming/Natation Canada. Where necessary, at their request, SSI may assist clubs to lobby their civic or municipal authorities for the provision of safe swimming facilities.

Through its Sanctions Policies, and through its Master and Senior Officials Committee, SSI will ensure that Safety Marshalls are on deck during the warm-up period and that the warm-up procedures of the Rulebook of Swimming/Natation Canada are strictly enforced at all swim meets. (Note: see Rule 2.13.1.5 and Appendix D in the October 2009 edition of the Rulebook.)

Through its Master and Senior Officials Committee, SSI will ensure that all other rules of competition that relate to safety are strictly enforced, in particular, SW 10.6.

SSI expects that all swimmers, coaches, spectators and volunteers will observe the posted safety rules of any facility, and will obey the instructions of lifeguards and designated pool staff in respect to public health and safety regulations.

## *Penalties*

Any breach of items 1, 2, 3, 4 or 5 above will result in the immediate expulsion of the person or persons from the SSI sponsored competition or event. The President of SSI will have the authority to suspend summarily for egregious violations of those items. Any member summarily suspended will have the right of a full hearing before the Discipline Committee within not less than 7 and not more than 14 days of the suspension.

Any breach of this Code of Conduct will be referred to the Discipline Committee of SSI for investigation and adjudication. Egregious breaches of the Code of Conduct may constitute cause for suspension or expulsion of any member. In accordance with the Bylaws, Article 5, Section 3.7, the Board of SSI has the authority to suspend or expel affiliated clubs or swimmers for cause. The Board of Directors of SSI will have the discretion to refer matters that cannot be resolved by its Discipline Policy to the Dispute Resolution process provided by Sask Sport. In accordance with the Dispute Resolution Policy of Sask Sport, SSI will report to Sask Sport any expulsion of a member or any suspension of a member for a period of greater than one year.
