**2011/2012 Meet Schedule**  
**Draft #4 - Oct 21, 2011**

**Notes to Schedule:**

- Pool requirements for Sept to March are preferably short course and then any meet after SC ManSask to the end of the season preferable facilities are Long Course
- Format the meets properly - for example 10 & under's do not need to swim all 3 days; an option is to just run their events Sat & Sun. Keep the 10 & under's time at the pool as short as possible and have them racing lots while they are there.
- Invitational plus Time Final meets - the Invitational side of the meet is for swimmers requiring heats & final format. The Time Final side of the meet is for newer/younger competitive swimmers. **Be creative!**

**Changes made**

July 21, 2011 - date of Laser meet changed from April 21 & 22, 2012 to April 28 & 29, 2012 due to Shaw Center availability
